GRAD DOBOJ
CITY OF DOBOJ

Poštovani sportisti i sportski radnici, uvaženi gosti, dragi prijatelji,
Želim vam srdačnu dobrodošlicu u naš grad Doboj, u kome ove godine obilježavam značajne jubileje, među kojima je i sportski praznik u kome uzimate učešće.

Uspješno smo prevazišli nedaće koje su nas pogodile protekle godine, tako da u 2015. s ponosom slavimo 600 godina prvog historijskog pomena grada Doboja, ali i 50 godina od osnivanja Međunarodnog rukometnog TV turnira šampiona. Ova dva jubileja su na specifičan način obilježila tekuću godinu u našem gradu, pa smo uložili dodatni napor da 47. Turnir bude istinski sportski spektakl koji će dodatno potvrditi visok ugled ove sportske manifestacije.

Potrudili smo se da i ove godine učesnici turnira budu ekipe koje na najbolji način reprezentuju evropski i svjetski rukomet. Oni će se svrstati u kolonu hiljada sportista koji su u proteklih pet decenija izgradili, po ocjeni stručnjaka, jedno od najjačih svjetskih klubskih rukometnih takmičenja. Potvrda ovog rejtinga je i uvrštavanje dobojskog turnira u zvanični kalendar IHF-a, a ovo priznanje smo shvatili kao podsticaj da svake godine opravdamo povjerenje i održavamo visok nivo i kvalitet takmičenja.

Ovom prilikom svakako podvlačim da je Doboj prihvatio i odgajio rukometni turnir kao jednu od svojih najomiljenijih manifestacija, i od nje stvorio prepoznatljiv zaštitni znak grada koji se diči svojim sportskim duhom. Zato poručujem svima koji tokom narednih pet dana ovde borave kao gosti i učesnici, da će naići na istinsko gostoprimstvo i predusretljivost. Zato ovom prilikom zahvaljujem i svojim sugrađanima i svim ljudima koji ulažu napor da Doboj ovih dana bude dobar domaćin i pokaže svoje najbolje lice.

Svim sportistima i učesnicima želim da uživaju u takmičenju, budu uspješni u fer pleju i druženju, i da ponesu najljepše uspomene iz našeg grada. Publici i gostima koji budu pratili takmičenje poručujem da navijaju od srca i podrže prije svega sportski duh koji pet decenija stvara predivnu atmosferu u Doboju krajem ljeta. Mi smo tu da budemo dobri domaćini i da svojim gostoprimstvom učinimo da odavde ponesete najpozitivnije utiske.

Obren Petrović, gradonačelnik Doboja

Dear sportsmen, dear sports activists, dear guests, dear friends,
I wish you a warm welcome to our city of Doboj, where in this year we celebrate remarkable jubilees with the sports festivities you are taking part in being among them.

We successfully overcome adversities of the last year, and in 2015 we proudly celebrate 600 years of the first historical record of the Doboj city name but also 50 years since establishment of the International Handball TV Tournament of Champions. These two jubilees mark this year in our city, hence we invested additional effort in order to make 47th Tournament true spectacle which will additionally strengthen high rating of this sports event.

We tried our best that this year's Tournament participants are the teams that represent European and World handball in the best manner. They will join thousands of sportsmen who in the past five decades built up, according to experts, one of the best club competitions in the handball world. Confirmation of rating is enlisting of the Doboj Tournament in the official IHF calendar, which we take as the incentive to justify their confidence and maintain high level and quality of competition.

At this occasion I underline that Doboj embraced and cared for the Tournament as one of its most cherished events, turning it in the trade mark of the city which is proud of its sports spirit. I forward the message to all who will in the next days come to Doboj be it as the guests or participants, that they will be met with true hospitality and attentiveness. I use this opportunity to thank to my fellow citizens and all those who invest effort that Doboj is god host these days and to show its best face.

To all sportsmen and participants I wish to enjoy the competition, be at their best in fair-play and socializing and to carry the best impressions from our city. My message to the spectators and the guests who follow the competition is to support spirit of sport in the first place, which five full decades creates wonderful environment in Doboj at the end of summer. We are here to play good hosts and to contribute through our hospitality that you leave our place with the most positive impressions.

Dragi prijatelji,

Dobrodošli na 47. Međunarodni rukometni TV turnir šampiona!

Prošlo je tačno pet decenija od kada je grupa entuzijasta grada Doboja učinila prve korake i pokrenula rukometni Turnir u gradu gdje je rukometna igra bila tek u povoju. Početak nije bio lagan, jer je strašna poplava 1965. godine uništila grad, pa se prvi Turnir morao održati u Brijesnici, malom mjestu pored Doboja. Entuzijasti se ovim nisu pokolebali, već su nastavili da organizuju Turnir i poboljšavaju ga do takvih visina da je postojalo nepisano pravilo: nisi pravi šampion ako nisi bio na dobojskom turniru. Nažalost, kroz ovaj period na ovom prostoru desile su se još dvije katastrofe - rat i prošlogodišnja poplava.

No, sve nedaće nisu spriječile organizatore da Dboj ponovo bude centar na rukometnoj mapi Evrope. Utkmice Turnira je prenosio čuveni Eurosport, a velikani rukometa poput Barcelone, Ciudad Reala, Monpeljea i Gummersbacha dolazili su u Dboj u više navrata, jer građani Doboja vole rukomet, to svaki tim može da osjeti i zato ponovo dolaze.

Ove godine slavimo zlatni rođendan Turnira ali i 600 godina od prvog pisanog spominjanja imena grada Doboja u jednoj Dubrovačkoj povelji. Dočekujemo Vas, naše drage prijatelje, raširenih ruku i sa osmjehom na licu.

Dobro nam došli u naš grad, gdje ćete se osjećati prijatno i gdje ćete, uvjeren sam, poželjeti ponovo doći.

Enes Suljkanović, predsjednik Izvršnog odbora Turnira

Dear friends,

Welcome to the 47th International TV Tournament of Champions!

Exactly five decades passed since a group of enthusiasts made baby steps and initiated handball tournament in the city where handball was still in cradle. Beginning was not easy, since catastrophic flood of 1965 destroyed the city, thus the first Tournament had to be held in Brijesnica, a small place near Dboj. Enthusiasts were not discouraged by this. They continued to organize and to improve the Tournament, elevating it to such heights that there was an unwritten rule: you were not a true champion without taking part in the Dboj Tournament. Sadly, through the years, this area suffered another two catastrophes - war and the flood of last year.

However, these adversities have not prevented enthusiasts to make Dboj again the center on the handball map of Europe. Tournament games were broadcast by famous Eurosport and handball giants such as Barcelona, Ciudad Real, Montpellier, and Gummersbach were coming to Dboj several times. Dboj citizens love handball and every team can feel that. That is why they come again.

This year we celebrate golden birthday of the Tournament but also 600 years of the Dboj city name first written record in one of the Dubrovnik charters.

We welcome you, our dear friends, with open hands and smile on our face. Welcome to our city, where you will feel pleasantly and where, I am convinced, you will desire to come again.

Enes Suljkanović, President of Executive Committee of Tournament

GRAD DOBOJ

Položaj ušća rijeka Usore i Spreče u Bosnu, i prirodno sučeljavanje dolina ovih triju rijeka na sjeveru panonskog oboda Bosne, prije mnogo vijekova uslovalo je postanak i razvoj naselja koje je kroz istoriju postalo čvorište i centar šire regije, kapija puteva ka jugu, nezaobilazna geostrateška tačka Balkana. Grad Doboj.

Arheološka istraživanja pokazuju da su ljudska naselja ovdje postojala još u neolitsko doba, a ostaci građevina su svjedok postojanja rimskih fortifikacija i prvih odbrambenih utvrđenja Starih Slovena iz ranog srednjeg vijeka. Kontinuitet ljudskog naseljavanja i življenja na području Doboja svoju prvu pisanu istorijsku potvrdu dobio je 1415. godine, jer od tada datira prvi pisani dokument koji potvrđuje da je početkom 15. vijeka ovaj grad bio značajna destinacija i odredište trgovačkih karavana, vojnih pohoda i osvajačkih ambicija. Prvi pisani pomen grada Doboja, u dubrovačkom dokumentu datiran 28. juna 1415. godine, danas je preuzet kao zvanični Dan grada.

Kroz burnu istoriju Doboja njegova tvrđava postala je personifikacija grada na tri rijeke, i središte naselja koje je dugo vremena branila i bila njegovo jezgro. Nakon turskih, a zatim austrougarskih osvajanja, od 18. vijeka polako gubi svoju osnovnu funkciju i postaje kulturni pečat i spomenik, a gradsko naselje se nezadrživo širi u dolinu rijeke. Kraj 19. i početak 20. vijeka su vrijeme intenzivne izgradnje i stvaranje kontura današnjeg Doboja. Industrijalizacija i podizanje prvih fabrika, izgradnja uskotračne pruge, razvoj zanatstva, daju rezultate u širenju i gradnji modernog Doboja koji dobija svoju prvu ulicu Kralja Aleksandra, koja po mnogo čemu odražava duh ovog grada i podneblja – na nekoliko stotina metara udaljenosti, u

ovoj ulici nalaze se katolička crkva, pravoslavna crkva, džamija i sinagoga...

U dvadesetom vijeku je Doboj izrastao u ono što danas predstavlja na mapi Balkana, a pri tome ga nisu obišle ratne tragedije i razaranja. Prvi svjetski rat ostaće zapamćen kroz zloglasni logor u kojem je stradalo oko 50.000 ljudi iz istočnog dijela BiH, a uspomena na to stradanje je i jedna od najljepših građevina Doboja, spomen crkva Svetih Apostola Petra i Pavla. Između dva rata, inicijativom mlade građanske klase, dobojska varoš dobila je vodovod, električnu rasvjetu, štampariju, sagrađen je Sokolski dom i betonski most preko rijeke Bosne. Drugi veliki svjetski sukob donio je nova razaranja i žrtve, ali je entuzijazam ljudi nakon okončanja rata doveo do procvata i izgradnje konačnih obrisa modernog Doboja koji je dobio široke ulice, veliki gradski park, novi gradski centar i brojne privredne objekte.

Današnji Doboj, koji je krajem 20. vijeka proživio i katarzu građanskog rata, stremljenosti savremenog evropskog grada, sa svim karakteristikama koje mu je donio njegov položaj saobraćajne i duhovne balkanske raskrsnice. Administrativni centar regije uspješno se nosi sa zahtjevima tranzicije, izgradnje održive privrede i njegovanjem kulturne i nacionalnih tradicija. Postojanje brojnih manifestacija tradicionalnog karaktera idu u prilog ovoj tvrdnji, a Doboj važi za grad koji je iznjedrio brojne generacije vrsnih umjetnika, sportista, stvaralaca.

CITY OF DOBOJ

Location at the confluence of Usora, Spreča and Bosnia and the natural union of these three rivers at the Pannonian rim of Bosnia provided favorable conditions in the distant past for origin and development of settlements. Through the history, this location became a hub, the center of wider region, the gate to the south, an unavoidable geostrategic point on Balkans. City of Doboj.

Archeological excavations provide evidence for existence of human settlements as early as in neolith, while remnants of structures testify about existence of Roman fortifications and first Old Slavic defenses in early middle ages. Continuity of human settling and living in the area of Doboj obtained its first written certification in 1415. The first record confirms that in early fifteenth century this city was important destination of merchant caravans and military campaigns and conquests. First mentioning of Doboj in written records was dated on 28 June 1415 in Dubrovnik archives. In modern times this date was officially declared the City of Doboj Day.

Through the turbulent history of Doboj, its fortress became personification of the city on three rivers, center and core of the settlement caring for its defense. Following Ottoman, then Austro-Hungarian conquest, it gradually lost its primary role. From eighteenth century it assumes the role of its cultural representative and the monument, while the place itself expands through the river valley. End of nineteenth and beginning of twentieth century are the times of intensive expansion, which set the outline of modern Doboj. Doboj gets its first true street – King Alexander Street. In many aspects it reflected spirit of the city and the local culture. A Catholic and

and an Orthodox church, the mosque and the synagogue are all located in this street in the span of several hundred meters.

In the twentieth century Doboj has grown to what it represents today on the map of Balkans. However, it doesn't mean it was not devoid of tragedy and destruction. First World War will be remembered by the concentration camp where 50.000 people from eastern part of Bosnia and Herzegovina had their tragic end. Place of remembrance of their suffering is one of the most beautiful buildings in Doboj, the monument church of St. Apostles Peter and Paul. Between two world wars, through the initiative of young bourgeois, city of Doboj gets water supply system, electrical street lights, print house, sport hall and the concrete bridge over Bosna river. Second World War produced new destruction and new victims. However, enthusiasm of people following the war led to flourishing and shaping the outline of modern Doboj with broad streets, central city park, new city center and a number of industrial facilities.

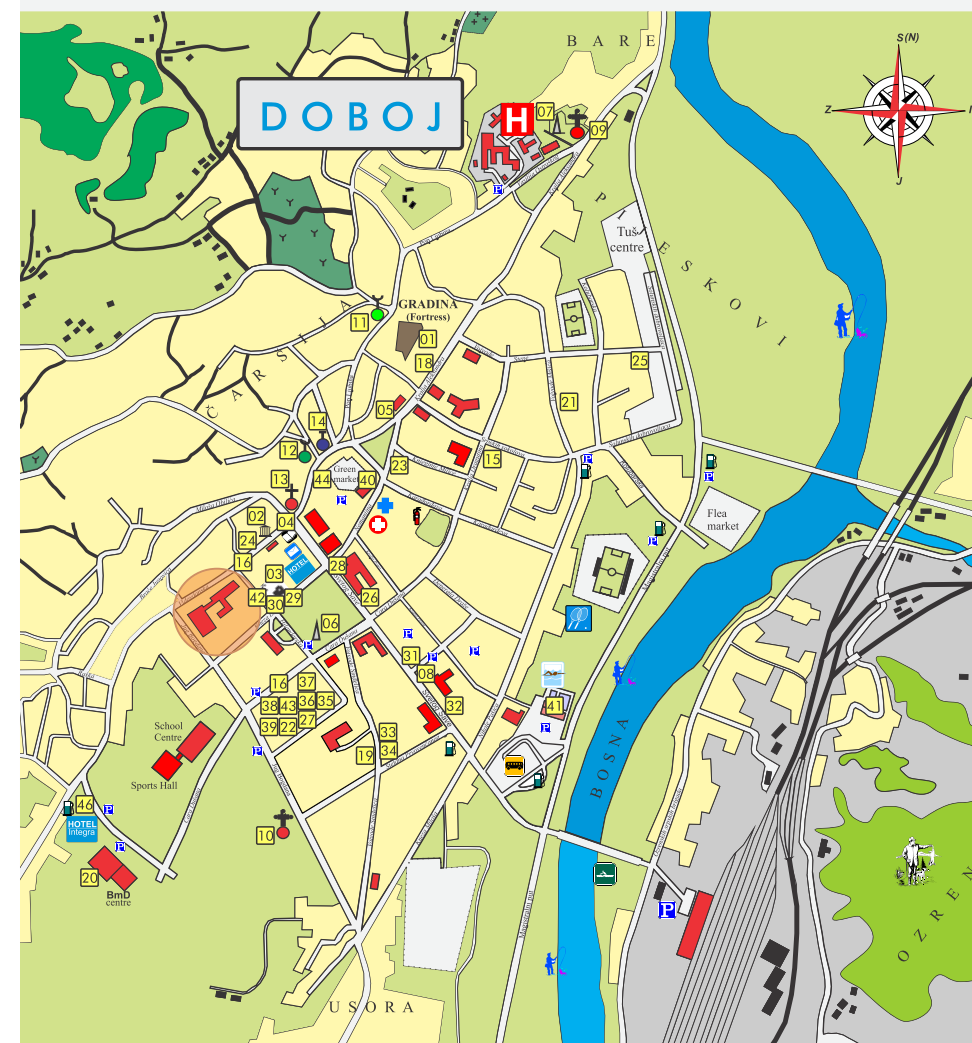

Modern Doboj, who at the end of 20th century passed through the civil war, is heading towards its future of modern European city with all the advantages of its position as the Balkans' traffic and cultural crossway. Administrative center of the region successfully copes with challenges of transition, development of sustainable economy and care for cultural and ethnic traditions. Number of events in relation with cultural heritage only strengthens this argument. Doboj carries reputation of the place which yielded generations of talented artists, sportsmen and creative individuals.

TRADICIJA KOJA TRAJE

Ove godine se navršava četrdesetdevet godina postojanja dobojskog turnira. Veličanstvena sportska manifestacija je od male lokalne smotre rukometa na samom početku izrasla u jednu od najkvalitetnijih i najcjenjenijih rukometnih priredbi ove vrste u svijetu. Sa nepreglednom niskom najljepših, najuzbudljivijih i najkvalitetnijih rukometnih nadmetanja u smiraj ljeta svake godine, Međunarodni rukometni TV turnir šampiona je postao neraskidivi dio grada Doboja i žitelja ovog kraja. Dobojski hram rukometa postao je u proteklih pet decenije mjesto gdje se okupljaju najbolji klubovi i majstori rukometne igre i mjesto gdje se igra najkvalitetniji i najlepršaviji rukomet.

U jednom trenutku zaustavljen zbog strašnog ratnog sukoba, Turnir je 1996. godine nastavio uspješan kontinuitet sa željom domaćina da ponovo postane stjecište najboljih klubova i majstora rukometa i da poprimi sjaj predratnih godina kada nismo osjećali zapreke ni političkih ni nacionalnih ni bilo kakvih drugih razdora i netrpeljivosti, jer sport ne poznaje takve prepreke, on je jednostavno univerzalna međunarodna tvorevina s atributima mira i prijateljstva među narodima.

I kao što reče veliki svjetski rukometni znalac, na ovom našem rukometnom globusu, a da ne kujemo stvar previše u zvijezde, nešto slično, čak ni približno, ne samo da ne postoji, već niko nema hrabrosti o tome ni da sanja. Jednostavno rečeno, TV turnir šampiona Doboja, i tome ne treba predikat. Zna se, turnir nad turnirima, kvalitet nad kvalitetima, rukomet nad rukometom - to je Doboja. Jer, ono što je za nacionalne selekcije šampionata, to je za superklupske formacije bio simpatičan, ali ozbiljan sudar divova na tlu stoljetnog Doboja. Da nije ničeg drugog, da li imena: Montpellier, Ciudad Real, Nordhorna,

Čehovskih Medveda, Steaue, Gumersbaha, Dukle, CSKA, Barcelone, Lugija, Vesprega, MAL-a, Partizana, Pelistera, Crvene Zvezde, Atletika, Metaloplastike, Kreteja, Zagreba, Borca i mnogih drugih šampiona ovozemaljskog kvaliteta, predstavlja dovoljan razlog da se rukometni svijet duboko sagne i skine kapu svim znanim i neznanim junacima dobojske organizacije koja je uspjela da stvori ovu grandioznu rukometnu manifestaciju. A imena rukometnih velikana poput Karabatića, Stinge, Vujovića, Horvata, Šmita, Vunderliha, Černišova, Maksimova, Birtolana, Tomina, Karaue, Klempela i stotina drugih i njihovih trenera: Dušebajeva, Červara, Hasanefendića, Ocelea, Živkovića, Predehe, Seleša, Štencla, Jevtušenka, Andersona i ostalih ostaju zapisana zlatnim slovima u vječnoj knjizi dobojskih spektakala.

Ime Doboja sa znakom Turnira u godinama koje su za nama vinulo se preko četrdest državnih granica, na svim rukometnim meridijanima. U proteklih pet decenija nije bilo ni jedne mrlje ili nedostojnog incidenta, susreti rukometaša priličili su njihovoj časti i imenu, bez obzira na političku ili bilo koju drugu pripadnost, bez obzira na zemlju ili kontinent odakle su rukometaši dolazili. A naše Dobojske, ovaj divni narod, njegova mladost i svi koji su u dane Turnira punili stadion i čiste gradske ulice ukrašene cvijećem i zelenilom, u noćne sate oblivene raznobojnom svjetlošću, dočekivale su drage goste i divili se njihovim majstorijama i sportskim veličinama.

Tako će biti ove i svih narednih godina, jer mi jednostavno volimo ljude, volimo sportiste.

A LASTING TRADITION

This year the Tournament turns forty-nine. This magnificent sports event has grown from a small local handball competition, as it was in beginning, into one of the best and most respectable handball events in the world. Present its string of pearls - the most beautiful, the most exciting handball matches - while the summer sun is setting down, the International Handball TV Tournament proved itself to be an inseparable part of the Doboja's life and the life of its residents. Doboja handball temple during the last five decades has become a place where best handball clubs and handball masters gather, a place where best and most beautiful handball is played.

In a moment, during the atrocious war, the Tournament was stopped, but went on growing in the year 1996, thanks to its host's wish to make it an event that will bring together the best clubs and handball masters and restore Tournament's pre-war shine, when we were not hampered by any kind of political or national, or any other kind of obstacles in the form of belligerence and intolerance; because, sports know no such obstacles; sports is an universal, international endeavour that comprises peace and friendship among the world nations.

And, just to refer to a world-famous handball expert, this handball globe of ours - and we do not want to exaggerate - this kind of event (not even close to this kind) has not only never been seen, but has not been dreamt of. Suffice to say, it is The DOBOJA TV TOURNAMENT - and there is nothing to add to it. Everything is clear: the tournament of all tournaments, the quality of all qualities, the handball of all handballs - that's Doboja. For, what a championship is for national selections, this super tournament on the soil of the hundred-year old Doboja is

for handball giants that gather to clash and compete in it. If for nothing else, than it is for such names as Montpellier, Ciudad Real, Nordhorn, Chehovski Medvedi, Steaue, Gumersbach, Dukla, CSKA, Barcelona, Lugia, Besprem, MAL, Partizan, Pelister, Crvena Zvezda, Atletico, Metaloplastika, Kretej, Zagreb, Borac and many other world champions that the handball world should bow with „hat down“ before all the known and unknown heroes of the Doboja organization that has succeeded in making this event so magnificent. And the names of such handball masters like Karabatić, Stinga, Vujović, Horvat, Schmidt, Vunderlich, Cemishoff, Maksimoff, Birtolan, Tomina, Karadža, Klempel, and hundreds of others, end their coaches Otzella, Dushebajev, Červar, Hasanefendić, Živković, Predecha, Seles, Jevtushenko, Anderson and others will remain for eternity written in the book of the Doboja spectacle.

The name of Doboja embellished with the Tournament's logo has in the past years flown over the borders of 40 countries, over all the handball meridians. During the last five decades there was not a single stain or indecent incident. Encounters of the handball players were up to their honour and name no matter the political or any other affiliation, no matter the country or the continent those players came from. And, the citizens of our Doboja, these beautiful citizens, and the youth of Doboja, would take care that the streets of the city are clean and full of flowers and green trees, that the night city is bathing in colours of light, that the dear guests are greeted with love, friendship and admiration.

The same picture will be seen in all the years to come, because - it's just that we love people, we love sport.

SLOGA DOBOJ

Nakon što su prošle godine, zbog oštećenja kompletne infrastrukture kluba i kapaciteta za treniranje i odigravanje mečeva izazvane katastrofalnom poplavom Doboja, po prvi put izostali sa turnira, dobojlije se ove godine vraćaju sa novom ekipom i velikim ambicijama.

Klub koji je svojevrsan domaćin turnira, uz njega je od samog osnivanja, tačnije od 1965. godine.

Prepoznatljiv stil poznate rukometne škole bivše Jugoslavije, doveo je ovu ekipu na korak do trona Kupa pobjednika evropskih kupova, kada su 1984. godine u finalu poraženi od ekipe Barcelone.

Osvajači su Kupa Bosne i Hercegovine i to dva puta, 2005. i 2006. godine, a Kupa Republike Srpske 2003, 2004. i 2011. godine. Svakako najzačajniji rezultat ovog bosanskohercegovačkog prvligaša je osvajanje titule šampiona BiH u sezoni 2011/2012.

Prvaci dobojskog turnira su bili, pod nazivom Partizan Dobož 1966. godine, a kao Sloga Dobož 1987. godine.

SLOGA DOBOJ

After last year's catastrophic flood destroyed entire infrastructure of the club, training capacities and capability to play matches, the team was forced to cancel its participation in the Tournament for the first time. They are returning this year with new team and big ambitions.

The club is true host of the Tournament staying together since it was established in 1965.

Familiar style of the renown Yugoslav school of handball brought this team one one step away from the throne of Cup of The Winners of European Cups in 1984, when they lost to Barcelona in the finals.

They won B&H Cup twice in 2005 and 2006 and the Republic of Srpska Cup in 2003, 2004, and 2011. The biggest achievement is certainly the winner of B&H Championship in the 2011/2012 season.

They were winners of the Dobož Tournament in 1966 under the name Partizan Dobož and in 1987 as Sloga Dobož.

REKLI SU O TURNIRU

1971. ANATOLIJEV JEVTUŠENKO, trener "MAL-a" iz Moskve i trener reprezentacije SSSR:

Ovo je bio turnir prijateljstva i zблиžavanja između sportista raznih zemalja. Mi smo u građanima Doboja imali prijatelje i ljude koji znaju veoma srdačno dočekati svoje goste.

1976. BAKO FRANTIŠEK, trener "Červene Zvezde" iz Bratislave:

Ovo je najveći rukometni turnir na svijetu. Domaćini su izuzetno gostoljubivi.

1978. OTO TELMAN, trener "Steaua" iz Bukurešta:

- Doboj je mali grad, ali je veliki po svojim ljudima. Bilo nam je neobično lijepo. Grad se dopao svim igračima i oni žele da i iduće godine učestvuju na Turniru šampiona. Inače, mi smo prvi put na jednom turniru u Jugoslaviji. Smatramo da je ovaj dobojski turnir najjači na svijetu.

1979. NIKOLAJ TOMIN, golman "CSKA" iz Moskve:

Nisam očekivao da ću u Doboju biti najbolji, jer je konkurencija bila vrlo jaka. Inače, za Turnir šampiona u Doboju vežu me lijepe uspomene, jer sam šest puta igrao na ovom najjačem skupu rukometnih klubova u svijetu.

1981. BERTIL ANDERSON, trener reprezentacije Švedske:

Uvijek smo srećni kada stigne poziv da učestvujemo na dobojskom Turniru. Ove godine smo podmlađeni sa nekoliko poletaraca, pa zbog toga nismo mogli postići bolji plasman, ali to nije toliko važno, koliko da smo učestvovali na najkvalitetnijoj klupskoj manifestaciji na svijetu.

1983. SERHIO PETIT, trener "Barcelona":

Iz ovog lijepog grada nosimo prijatne uspomene. Sve je bilo za nezaborav. Kvalitet turnira je na svjetskom nivou. Žao mi je što ekipa Barcelona nije bila spremna za bolje rezultate. Sa Vunderlihom i Fejzulom i ove godine juriša ćemo na prvaka Španije i nadam se da će mo se ponovo vidjeti.

WORDS ABOUT THE TOURNAMENT

1971 - ANATOLIJEV JEVTUŠENKO, coach, "MAL", Moscow and the coach of SU National Team:

This was a tournament that brought together the sportsman from various countries, that made them all be friends. We found friends in the city of Doboj, we found people there that would always greet their guests with a warm heart.

1976 - BAKO FRANTIŠEK, coach, "Red Star", Bratislava:

This is the greatest tournament in the whole world. The hosts are so hospitable.

1978 - OTO TELMANN, coach, "Steaua", Bukurešt:

Doboj is a small city, but it is its people that make it great. We had a wonderful time here. The players liked it, and they want to come here again, for the next year's Tournament. Anyway, it is our first time to take part in a tournament in Yugoslavia. We think that the Doboj Tournament is the greatest event of this kind in the World.

1979 - NIKOLAJ TOMIN, goalkeeper, "CSKA", Moscow:

I had not hoped to be the best goalkeeper here in Doboj, because the competition was so fierce. Anyway, I have beautiful memories of Doboj, for I have played this World's greatest handball tournament six times.

1981 - BERTIL ANDERSEN, coach, Swedish National Team:

I am always so happy when we receive an invitation to take part in the Doboj Tournament. Our team this year is somewhat younger - we have five pioneers, which hampered us a little and we could not achieve the best result, but is not so important - what is important for us is that we took part in a sports event that is the World's greatest event of the kind.

1983 - SERHIO PETIT, coach, "Barcelona":

We have beautiful memories of this beautiful place. Everything was unforgettable. The Tournament itself was on the World level. I am sorry that the "Barcelona" team was not ready to show better results. We will try and put our best effort to win Spanish Championship together with "Wunderlich" and "Fejzula", and I hope we will see each other again.

1998. ZORAN ŽIVKOVIĆ, bivši državni reprezentativac, trener Jugopetrola - Željezničara i Jugoslovenske državne reprezentacije:

Rukometni entuzijasti Doboja iz godine u godinu dokazuju svoju nepresušnu ljubav prema ovom sportu. Organizaciono odlično pripremljen Turnir okuplja najbolje svjetske ekipe. Zadovoljstvo i čast je svakome rukometnom radniku da svojim učešćem uveliča značaj i vrednost ovog turnira. Imao sam zadovoljstvo i čast da više puta sa raznim ekipama učestvujem na Turniru šampiona. Uvek sam odlazio iz Doboja prepun utisaka i zadovoljstva, svestan da svaki put deo mene ostaje u ovom gradu-svetskoj metropoli rukometa.

2003. PETER KOVAČ, trener PIK "Segedin" iz Segedina:

Iako smo imali mnogo poziva za učešće na turnirima, uvijek smo se opredjeljivali za Doboj, jer ovaj turnir je po mnogo čemu specifičan. Pored kvalitete ekipa, koji je iz godine u godinu sve bolji, oduševljeni smo atmosferom, srdačnošću i prijemom kakav može prirediti samo narod velikog srca, kao što su Dobojlje.

2006. Dr BRANISLAV POKRAJAC, bivši istaknuti reprezentativac:

Biti učesnik turnira u Doboju je oduvek bila velika privilegija. Zaljubljenost u rukomet, ambicioznost, strast i fanatizam kojim su ga njegovi tvorci doveli do nivoa najpoznatijeg i najprestižnijeg klupskog rukometnog turnira u svetu bio je uvijek magnet za sve njegove učesnike. Gostoprinstvo i pažnja, od organizatora do poslednjeg gledaoca, kojom su uvek obasuti svi oni koji dođu na turnir predstavljali su uvek njegovu dušu, njegov zaštitni znak. Svoju vitalnost, snagu i ljubav prema rukometu dobojski turnir pokazuje i sada posle svih nedaća koje su uvek njegovu dušu, njegov zaštitni znak. Svoju vitalnost, snagu i ljubav prema rukometu dobojski turnir pokazuje i sada posle svih nedaća koje su zadesile ove prostore, ponovo izrasta u sportskog domaćina i rukometnog giganta kakav je uvek bio. Ponovo dolaze svi oni koji su i nekada dolazili. Biti učesnik dobojskog turnira i dalje će biti velika privilegija.

1998 - ZORAN ŽIVKOVIĆ, former national team player, coach of "Jugopetrol-Željezničar" and the National Team of Yugoslavia:

Year after year the handball enthusiasts of Doboj show their love for this game. With impeccable organization, the tournament brings together the best teams in the World. It is a pleasure and an honour for every handball player to give his personal contribution to making the Tournament this significant. I had a pleasure and an honour to take part in the Championship with a number of teams and on several occasions. It is always with most beautiful memories and impressions that I would leave Doboj, aware that a part of me stayed behind in the city - the World metropolis of handball.

2003 - PETER KOVAČ, coach of "PIK SEGEDIN" Segedin:

We would always receive a lot of invitations for the tournament participation, but we would always choose Doboj, because the Doboj Tournament is in many ways unique. Besides the teams, that grow better and better year after year, what delights me is the atmosphere and hospitality that only a warm-hearted people can give, and the people of Doboj are like that.

2006 - Dr. BRANISLAV POKRAJAC, former national team player, a prominent handball master:

To take part in Doboj Tournament has always been a privilege. The very fact that its organizers are passionate lovers of handball, that their endeavour and fanaticism made it the most prominent handball tournament in the World, make this event a magnet that attracts all its participants. Hospitality and kindness that one can find in every organizer, in every spectator, that a guest is abundantly surrounded with always represented its soul—its trade mark. The Doboj Tournament is once more showing its vitality and strength and after all the tragedies that happened in this area it is now regaining its prominence and growing into a handball giant that it has always been. Those who were coming before are coming now again. To be a part of the Doboj Tournament will continue to be a huge privilege.

DOBITNIK JEDANAESTOG PRIZNANJA ZA IZUZETAN DOPRINOS RAZVOJU I AFIRMACIJI MEĐUNARODNOG RUKOMETNOG TV TURNIRA ŠAMPIONA

Rukometni klub Sloga Doboj je jedan od najtrofejnijih sportskih klubova sa područja dobojske regije. Klub je osnovan 1958. godine. Tokom svoje istorije postojanja nekoliko puta je mijenjao ime, od „Partizan“, preko „Željezničar“ i „Dobojindeks“, dok od 1972. godine nosi današnje ime „Sloga“.

Sloga se u Prvu saveznu ligu Jugoslavije plasirala 1980. godine i u kojoj je igrala sve do 1991. godine. Najveći uspjeh u domaćim takmičenjima u periodu bivše Jugoslavije je bilo finale Kupa Jugoslavije 1983. godine, kada je poražena od šabačke „Metaloplastike“. Plasmanom u finale Kupa, Sloga je takođe izborila učešće u Kupu pobjednika kupova u sezoni 1983/84, kada je uspela da stigne do finala, gdje je poražena od španske Barselone sa 24:21.

Nakon raspada Jugoslavije, RK „Sloga“ je sa takmičenjem nastavila u Premijer ligi Bosne i Hercegovine. Godine 2005. i 2006. osvojila je prve trofeje u Kupu BiH. Dugogodišnji trud se isplatio, pa je „Sloga“, nakon više uzastopnih osvajanja pozicija pri samom vrhu tabele, 2012. godine uspjela da osvoji svoju prvu titulu u Premijer ligi Bosne i Hercegovine. Sloga se na taj način, kao prvak BiH po prvi put plasirala u kvalifikacije za Ligu

šampiona, ali je na kvalifikacionom turniru u Beogradu poražena u oba susreta.

Rukometni klub „Sloga“ je u više navrata proglašena i za najuspješniji sportski kolektiv grada Doboja.

Prošlogodišnja poplava je nakratko zaustavila rad ovog rukometnog kluba, kako u takmičenju u okviru Premijer lige BiH, tako i u učešću na Međunarodnom rukometnom TV turniru šampiona „Doboj 2014“, ali već ove godine Sloga se vraća na rukometnu scenu Bosne i Hercegovine i dobojskog Turnira.

Rukometni klub Sloga, kao nosilac razvoja sporta u gradu Doboju svakako je dala veliki doprinos u osnivanju i organizaciji svih dosadašnjih Turnira, pa je uz već pomenute ostvarene rezultate i to veliki razlog da najveće turnirsko priznanje završi u rukama rukometnog kluba „Sloga“ Doboj.

WINNER OF ELEVENTH AWARD HONORS FOR EXCEPTIONAL CONTRIBUTION TO DEVELOPMENT AND AFFIRMATION OF TV TOURNAMENT OF CHAMPIONS

Handball Club Sloga Doboj is one of the most decorated sports clubs in the region of Doboj. It was founded in 1958. Its name changed several times through the history, starting from „Partizan“, through „Željezničar“ and „Dobojindex“, while its current name „Sloga“ is in use since 1972.

Sloga entered First Yugoslav Federal League in 1980 and remained in the league until 1991. Its biggest success in the home competitions in former Yugoslavia was finals of Yugoslav Cup in 1983 when it lost to „Metaloplastika“ from Šabac. As the finalist of the Cup, Sloga qualified for the Cup of Winners of the Cups in the 1983/84 season, where it reached the finals and lost 24:21 to Spanish Barcelona.

Following disintegration of Yugoslavia, Sloga continued to play in the Bosnia and Herzegovina Premier League. In 2005 and 2006 it won first trophies in the B&H Cup. Years of hard work paid off when Sloga, after being several years very close to the top of the chart, finally managed to win its first title in the B&H Premier League in 2012. As the B&H champion, Sloga qualified for the League of Champions. However, it lost both games in the qualifications in Belgrade.

Sloga Handball Club was pronounced the best sports club in Doboj several times.

The flood last year briefly sidetracked its activities preventing it from participation in the B&H Premier League and in the International Handball TV tournament of Champions Doboj 2014. However, this year Sloga is returning to competition in Bosnia and Herzegovina and in the Doboj Tournament.

Sloga Handball Club is herald of the Doboj sports and it gave huge contribution to foundation and development of all the tournaments held so far. With all other achievements this is certainly one of the main reasons that the highest award of the Tournament go to Handball Club Sloga Doboj.
